## WELCOME NEW STUDENT

Greetings newcomers, get ready to widen your perspective in the library and gain a diverse range of knowledge as you explore!

- 1. **Student ID card** A useful tool for students, without it, borrowing privileges will be relinquished and you may not able enter the library.
- 2. Locate the books and multimedia that you're looking for by using the **Taylor's Catalogue** and search for the entire Library collection at **MulT-Search**.
- 3. The library holds not just printed books and multimedia, it includes resources on the virtual library on the **Resources** Main Menu tab in Taylor's Library Website.
- Aid yourself in searching for specific subject resources by using the <u>Subject Guides</u>, go for <u>Program Guides</u> if you need some guidance for your program. Click on the ('BY GROUP') TAB.
- 5. Want to learn more on e-resources? Select a module at Information Literacy and book a class with the Librarians to learn how to use:
  - ✓ Databases and advanced research skills
    - ✓ Plagiarism and referencing style
    - ✓ Tools to search library resources

- Borrow Books with ease by using the <u>Self Service Loans</u> and returning it with <u>Book Returns.</u>
- 7. Refer to the <u>e-orientation Library Briefing</u> if you still feel a bit lost. Don't forget to check out the <u>online tutorials</u> to further guide you.
- 8. <u>Liaison Librarian</u> Seek for your liaison librarian to get some guidance for your research and assignment.
- 9. Look into 'MY LIBRARY ACCOUNT' to check for
  - ✓ Check books out on loan and their due dates
  - ✓ Request books and check the status of your request
  - ✓ Renew checked out books and view outstanding fines (if any)
- 10. Check for the <u>opening hours</u> of the Library, Taylor's provides the best facilities which are available for use, click on the **Facilities** Main Menu tab in Taylor's Library Website.
- 11. Want a better experience? Give us your <u>Feedbacks and</u> <u>suggestions</u> if you think we can improve!
